

The Alps Explorer programme has been created to support users who are new to Alps Connect and existing users who are keen to develop their knowledge, understanding and skills further.

During a series of free videos tutorials, participants will learn about our ethos, methodology and how to get the most out of the different areas of the Alps Connect platform.

Video 1: The Alps Approach

This video gives an overview of the Alps approach, including our ethos and methodology. During the video we explain the meaning of key terms such as Alps Minimum Expected Grades (MEGs) and Minimum Expected Points (MEPs).
